(*b*) Of the 14 persons, 2 persons are office bearers of the Government Empoloyees Association who could not be transferred in the middle of Election period. Three persons are lady candidates, they are continued in the same place on compassionate grounds till the vacancies occur in suitable places to accommodate them. The remaining 9 persons have just completed 4 years of stay in the place of their postings before 30-6-1974. However, all these persons have since been transferred.

(*b*) There are three cases of transfers which were orderded twice in a year. In one case the transfer was made on the representation made by the M.L.A. and the remaining two cases are promotional transfers *i.e*, the official were transferred on promotion to the higher cadre.

(*d*) No such instances, are brought to the notidc of Government. The transfers are generall, made in the interest of public and on administrative grounds (and also looking to the convenience of all the officials an just and reasonable grounds).

(*e*) There are already standing instructions regarding non-transfer of Government servants who have put in less than two years stay

at one place and for their transfer if they have put in more thau four years.
